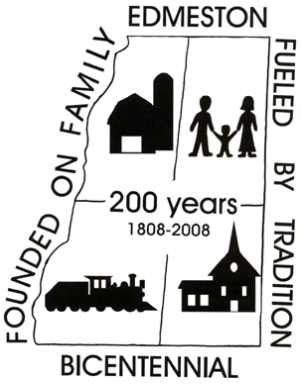
Edmeston "Echoes of the Past" Revisited



The Edmeston Bicentennial Book Committee proudly announces the publication of the third in the series: Edmeston "Echoes of the Past"**.** **Edmeston "Echoes of the Past" Revisited** (release date April 1, 2008) provides a chronological history of the Town of Edmeston from the late 1700's to the present. It includes some pictures from the first "Echoes of the Past" (now out of print) but also has many pictures that have never before been printed. **Revisited** tells of the origins of Coontown, Peet Hook and Snailtown as well as the coming of the railroad to Edmeston. Through many pictures it shows the growth of industry in the town as well as the history of the schools in the town.

When **Edmeston** "**Echoes of the Past" Revisited** goes on sale on April 1, 2008, the purchase price will be $30.00. However, prior to the release date (April 1,2008), the book can be ordered for only $25.00.
