Lacking a quorum, approval of the minutes was deferred and informal discussion followed:

Draft Junk Yard Law:

- A process to handle differing interpretations between a complainant and Town Inspector was discussed and will be incorporated in the next draft.
- There was a discussion on whether the Zoning Enforcement Officer was the appropriate official to handle enforcement rather than the Building Inspector.
- A question concerning the authority of the Building Inspector or Zoning Enforcement Officer to issue a summons or appearance ticket was brought up. After a long discussion, Supervisor Dutcher volunteered to bring the question to the Town Attorney and have the answer by the next scheduled meeting.
- A discussion concerning the number of inoperable pieces of farm machinery permitted ensued. The next draft will include a provision to exempt more than six pieces of inoperable farm equipment if the additional pieces are out of sight.

The meeting ended at 8:40 PM.
